I give my daughter/son permission to shadow any veterinarian or lay staff person at the Equine Clinic at OakenCroft. I understand that my child will be potentially at the clinic or traveling on calls in a 14 county area in upstate New York and Massachusetts. I understand that the day schedule cannot be determined accurately in advance, and that the end of the day is beyond the control of the clinic. I recognize that there are inherent dangers involved in being around horses and in travel, and I will not hold the clinic responsible for any harm or injury. My child will arrive on time with appropriate clothing and a lunch/drink/snack.
